

Dear Club Officer,

Take the first step and share the excitement of the Pathways learning experience with your members! Pathways offers exciting new projects, engaging interactive content and powerful tools for tracking progress and growth. This kit includes important elements for helping your club prepare for the arrival of Pathways:

- ▶ **The Navigator** – This is a guide to Toastmasters and the Pathways learning experience. It covers how a club works, key club officer roles, the importance of evaluations and how to take advantage of opportunities to grow your communication and leadership skills.
- ▶ **Pathways Quick Start Guide** – This two-sided guide helps prepare your members for their Pathways journey. The front features a comparison of the similarities between Pathways and the current club structure as well as exciting enhancements. The back provides an easy three-step process to prepare for enrollment. This kit includes 25 Quick Start Guides for you to hand out to members.
- ▶ **Pathways Flash Drive** – Easily access PDFs of *The Navigator*, Quick Start Guide and new member application. The drive also includes The Toastmasters Pathways Learning Experience Video.
- ▶ **Pathways Pins** – Recognize your members for starting their Pathways journey with these new, colorful pins. Three Pathways pins are included for you to present to the first three members who enroll in Pathways.

To avoid delays, be sure to direct your members to the Toastmasters International website at www.toastmasters.org/login to confirm their login information as soon as possible. Thank you for your service and commitment to Toastmasters.

If you have any questions, contact your Pathways Guide.

Sincerely,

Toastmasters International
